

# FIRST COMMUNION AND FIRST PENANCE ENROLMENT

Dear Father,

Our child's name is \_\_\_\_\_.

We, as parents/guardians, hereby request that our child be accepted to receive the sacraments of First Penance and First Communion at the end of this year's programme of catechetical preparation.

On our part we hereby commit ourselves to journeying in faith with our child.

We promise to do our best to create a Christian environment in our home and to renew our own commitment to prayer and to the faith of the Church.

We accept, as we did when our child was baptised, that the primary responsibility in handing on the faith is ours as parents/guardians. We want to accept the help of our local Church and of our child's school in living up to this responsibility.

In particular, we commit ourselves to participating fully in our parish-based programme of preparation *Do this in Memory* during this coming year at the specially designated Sunday Mass each month.

We enclose a copy of our child's baptism certificate.
