

## **Margaret Curry:**            **Rainbows**

Rainbows is a national voluntary organization offering peer-support to children and young people who have experienced a significant loss in their lives through bereavement, divorce and separation

The aim is to support children and young people in their local communities, as they seek to come to terms with grief and loss.

It is a twelve-week peer-support programme facilitated by trained adults in groups of 4-5 of similar age and loss experience and is free of charge.
